It is difficult to go back and remember a year in one word or one thought. The staff has tried to fill each page with a special something for everyone. One cannot recapture every moment, thought or action, but we have tried to capture Dalton Junior College as we know it. This has been a year of meeting new friends, and tearful goodbyes to the best of friends. The pictures of moments taken can never return except in our minds, and we only hope that we have enabled you to remember happily the past.

The staff would like to thank everyone who made this book possible. It is impossible to recall every helpful gesture given to us. We sincerely appreciate everyone's help and we will never forget them. I can only hope that in the years to come, you will look back through these pages and be proud of the memories they hold.
