Summer enrollment nears last year's record

To date, enrollment in A and B session classes is 1955, just one student short of last year's record enrollment of 1956 for A, B, and C sessions. But there's still time to top last summer's numbers. Enrollment Services staff members have initiated a direct mail campaign to entice recent high school graduates to get a jump on their college career by enrolling in a C session class.

Registration for C session is June 18, and classes will begin on **Thursday, June 19**.
